- Sakura Pigma Micron (.08)

INSTRUCTIONS

1. Cut two pieces of patterned paper to 5x10. Fold them in half and adhere wrong side to wrong side. This is your card base.
2. Cut two circles from patterned paper.
3. Use the edge of your scissors to distress the circles.
4. Using a Sakura Pigma Micron, write the phrase "thank you." Widen it up with some extra lines.
5. Using the Sakura Souffle Pens, color in the various sections of your greeting.
6. Cut out your greeting carefully and adhere it to the smaller circle.
7. Adhere the smaller circle to the larger one.
8. Adhere the larger circle to the card with the mini brads.
