“Arizona”

Supplies:

3” x 5” photo

12” x 12” square cut from pre-washed (to avoid shrinking) plain canvas

Fabric scraps

Claudine Hellmuth Sticky-Back Canvas scraps

Note book paper or journaling page – 4” x 6”

Paper or fabric leaves

9” ribbon or lace

Ranger Adirondack Color Wash Spray –

Stream, Lettuce, Cranberry, Red Pepper, Wild Plum

Acrylic paint – cream

Water spray bottle

Helmar Scrap Dots adhesive

Sewing Machine

In a protected work area, spray small amounts of Adirondack Color Wash on the canvas square in a random pattern, alternating with water. The water will make the color less intense, and allow it to blend. Repeat until you are happy with the results, and allow to dry completely.

Cut 12 motifs from patterned fabric in approximately 2.5” circles. Place on fabric in a grid pattern with two rows of 4 across, and 2 rows of 2. Sew motifs down with sewing machine.

From 2nd piece of fabric, cut a photo mat 7.5” x 5.5”. Sew with zig-zag stitches about 2” from bottom of page, and ½” from the right edge. Distress the bottom left and top right corners of the mat with a small amount of cream colored acrylic paint and a dry brush. Also paint a small section in the bottom right corner of the page for your title.

Cut a second photo mat 4” x 6” from notebook paper and layer with the photo. Zig-zag stitch with the paper mat at an angle to the photo. Stitch lace or ribbon across the bottom of the fabric photo mat.

Cut around 3 fabric motifs, and place on the adhesive side of the sticky-back canvas to stiffen. Cut around the motifs and glue to the bottom left and top right corners of the photo mat with Helmar Scrap Dots adhesive, building up the glue to the depth you want. Make sure to dry thoroughly before touching the motifs. Glue leaves down, sticking the ends under the motifs. Write title on the dry paint in the corner.
