

AWESOME LAYOUT

Supplies:

- 12x12 Watercolor Paper
- Paper Towel (optional)
- Crafter's Workshop Balzer Bits "Daisy" stencil
- Spray Ink: green, blue, yellow
- DCWV Bouquet De Fleur Stack
- Brother ScanNCut
- Paintbrush
- Mouse Pad
- White Buttons
- Glue Dots
- Marker & Paper
- Sakura Quickie Glue Pen
- 2.5x2.5" photograph
- Tape Runner
- Sakura Pigma Micron

Instructions:

1. Place the Crafter's Workshop Balzer Bits "Daisy" stencil onto the watercolor paper. Spray with blue and green mist. Move the stencil and repeat.
2. Remove the stencil and flip it over onto a clean area of the watercolor paper. If you want to keep your hands clean, use a paper towel to press the stencil down. Remove and repeat in a new area.
3. Place the stencil down again and spray with yellow spray ink.
4. Remove it and flip it over and press it down in a clean area.

5. Let dry or dry with a heat gun.
6. Cut 13 flowers (from the built in designs) from the DCWV Bouquet De Fleur Stack, using the Brother ScanNCut.
7. To round the petals, place the flower on a mouse pad and roll the back end of a paintbrush in each petal.
8. Use glue dots to adhere a

9. With a marker, write out your title. Scan it into the Brother ScanNCut and cut it out of a sheet of paper from the DCWV Bouquet De Fleur Stack.
10. Adhere the photograph, flowers, and title to the layout. Use the Sakura Quickie Glue Pen for the title.
11. Add your journaling and the date.
